

Radchenko Andrii

Full Stack Web Developer

Graphic Designer

Profile

Location: Brno, Czech Republic

Phone: +420 723 380 849

E-mail: radchenko.andreii@gmail.com

Passionate and dedicated web developer with a strong commitment to continuous learning and innovation. Skilled in both independent work and collaborative environments, I thrive on delivering captivating and results-driven online experiences.

Experience

Freelance Developer

Remote
2023-Present

Designing and developing custom websites and scalable web applications for small/medium businesses. Managing all aspects of project development, from initial consultation to deployment and post-launch support. Utilizing modern frameworks and technologies such as Docker, AWS, React, Next.js, and TailwindCSS to create dynamic and responsive web solutions. Collaborating with clients to understand their needs and deliver tailored solutions. Continuously learning and integrating the latest web development trends and technologies.

Front-End Developer

abz.agency, Ukraine
2021-2022

Development of components, user interfaces with HTML5, CSS, and JavaScript or React. Participating in daily stand-ups and sprint planning to ensure timely project delivery. Debugging, testing and troubleshooting issues in existing web applications. Implementing responsive design to ensure compatibility across different devices and browsers. Learning and applying new technologies to improve the efficiency of front-end development.

Education

Melitopol, Ukraine

2013 - 2017

Bachelor in Computer Sciences and Information Technologies.
Zaporizhzhia Institute of Economics and Information Technologies
